2. Please explain how any actual conflicts of interest involving members of the Scientific and Organising Committee have been resolved

Where there is an actual conflict of interest involving a member of the Scientific and Organising Committee, the EACCME® must be informed of how this has been resolved. The EACCME® considers it a responsibility of the Head of the Scientific and Organising Committee to ensure that actual conflicts of interest are addressed. A Conflict of Interest may be resolved by informing the audience about it, for instance in providing the list of potential COI in the programme, publishing the list on the event website, projecting a slide with the COIs lectures etc.
